Our AGM will be held at The Carrington in the Library with our farewell dinner also at The Carrington.

Saturday 09 Mar 13:

Stick around or head for home. (Your explorer bus pass will still be valid.)

General:

Meals. Unless meals are including in the list on the Entry Form, individuals will be responsible to pay for all other meals. The evening meals will be taken at a range of local restaurants and bistros with lunches available at cafés, pubs and other assorted venues. Alternatively, there is a great shopping centre just beside The Carrington where you can stock-up on groceries and make BYO lunches.

Trains. I will organise Opal Cards for the train travel to obtain the lowest fare.

Explorer Bus. The Explorer buses operate a regular scheduled service around Katoomba and Leura. We will use this bus as a means of transport on Sunday and Monday, but you can ride the bus at your leisure during free time in the rally program.

Roads. All roads are sealed and quite flat with the exception of the climb out of the Megalong Valley. Even so, there are plenty of safe places to pull off the road if you experience overheating issues.

Weather. The average temperature is a car-friendly 15.6 deg C with the sun rising at around 6:15 am and setting around 5:45 pm.
