Dear Mr. Clift:

We are pleased to learn from your letter of October 4th that you have recently purchased a Supercharged Cord and wish to take this opportunity to assure you of our fullest cooperation so you may enjoy the very most from it.

Thinking you were in a hurry for the items mentioned in your communication - we have taken the liberty of shipping express C.O.D. the following

2 Ell172	Wheels	@ 18.50	\$ 37.00
1	Hub cap		5.75
1 set	Motor gaskets		6.25
			<hr/>
			\$ 49.00

and we trust this action meets with your approval.

In the absence of an up-to-date parts price list it will be necessary that you send us a listing of your needs and we will be pleased to quote or ship promptly C.O.D. - as you prefer.

A copy of the Owner's Instruction Manual is being forwarded in another mail with our compliments. It will be helpful, it is believed, in familiarizing yourself with the construction of this car, but if there is any particular information you desire, please do not hesitate to write us.

We are asking our Motor Remanufacturing Division to give you full details regarding our motor exchange plan for your Supercharged Cord, and you will hear from them within the next few days.

It is felt you will be very pleased with your Cord and when we can be of service will be pleased to hear from you.

Yours very truly,

AUBURN-CORD-DUESENBERG CO.
